# Angel Gibbons

## Branding and Website Designer

Reno, Nevada, United States

Creative and detail-driven graphic designer with experience in brand identity, print, and digital design. Skilled in Adobe Creative Suite and visual storytelling across multiple media. Passionate about creating on-brand, engaging visuals that connect with audiences and bring a sense of adventure, authenticity, and place to every project.

## Work Experience | Notable Projects

### Freelance Graphic Designer

Self-Employed

June 2023 – Present

Remote, United States

Creative branding and website designer crafting visual identities and digital experiences for small businesses, nonprofits, and lifestyle brands. Guided by the mission “to create designs that connect your vision with your people,” I combine strategic thinking with creativity to build authentic, connection-driven brands.

#### Brewt’s Mix Co.

- Designed an immersive sample box experience for Brewt’s, distributed to key partners (including Walmart) and influencers to boost brand storytelling and partnership engagement.

#### Elba Hope Foundation

- Social media graphics and email newsletters supporting initiatives that mobilized \$1.75B+ to fight rural poverty.

#### Seven Springs Resort (Concept Project)

- Seasonal resort ads and motion visuals tested with focus groups; 90% positive reception.

### Stephanie Oplinger Arts, LLC

Graphic Design Intern

November 2024 – January 2025

Greensburg, Pennsylvania, United States

- Designed and maintained WordPress websites, optimizing visuals and layout for usability, SEO, and brand consistency.
- Developed new website concepts for a sister company, creating cohesive brand identity, digital assets, and user-friendly interfaces.
- Updated website content and graphics to ensure fresh, on-brand messaging aligned with marketing goals.

### Grace Life Pittsburgh

Lead Merchandise Designer

June 2020 – June 2021

Monroeville, Pennsylvania, United States

- Designed and produced all event and special merchandise, ensuring alignment with brand identity and visual storytelling.
- Managed custom merchandise ordering and vendor communications, ensuring timely delivery and quality control.
